

Dual Residency Transportation Request Form

This form must be completed to request that your child needs bus service to or from two (2) different addresses due to court approved shared parenting. Each parent must fill out a request form if requesting transportation. Northmont City Schools will only transport students to alternate locations within the district that qualify for transportation. Parent(s) must reside in the same school catchment area the child is attending. This information is very important to ensure the safety of your child. Please complete one request for each child.

If a change is made during the school year, a new transportation request must be submitted and approved before the child is allowed to ride any other bus. Requests are contingent upon the availability of space on the affected bus. Requests could take up to five (5) days to complete.
